Preserving the Open Internet, GN Docket No. 09-191;
Framework for Broadband Internet Service; GN Docket No. 10-127

December 10, 2010

Dear Ms. Dortch:

On Thursday, December 9, 2010, Floyd Mori called the Commission to speak to Commissioner Copps regarding issues related to the proceedings referenced above. Commissioner Copps was unable to take the call so Mr. Mori left a message with Sharon (CTR 252) on behalf of the Japanese American Citizens League.

The purpose of the message for Commissioner Copps was to express support for Chairman Genachowski's draft Open Internet order, to urge Commissioner Copps to reject calls for additional regulation, and to request that Commissioner Copps to support the compromise proposal.

Sincerely,

S. Floyd Mori
JACL National Executive Director
